Subject: Request for Assignment Extension - [Course Name/Code]

Dear Professor [Last Name],

I hope this email finds you well. I am [Your Full Name] ([Your Roll Number]), a student in your [Course Name/Code] class.

I am writing to respectfully request a short extension on the [Assignment Name] due on [Original Deadline]. I have made significant progress (approximately [X]% complete) but encountered [brief reason: technical difficulties/family emergency/unforeseen circumstances] that prevented timely completion.

I kindly request an extension until [Proposed New Date, e.g., "Monday, March 31st, 11:59 PM"]. This additional time will ensure I can submit work that meets your standards and learning objectives.

I sincerely apologize for any inconvenience caused and assure you this is an exceptional situation. I am fully committed to the course and maintaining my academic responsibilities.

Thank you for your understanding and consideration. I look forward to your response.

Best regards,

[Your Full Name]

[Your Roll Number]

[Your Program/Year, e.g., "B.Tech CSE, 1st Year"]

[Your Institution]

[Your Contact Number]

[Optional: GitHub/LinkedIn]

2)

Subject: Application for Summer Internship Opportunity - [Your Field/Position]

Dear [Internship Coordinator's Name or "Internship Team"],

I hope this email finds you well. My name is [Your Full Name] ([Your Roll Number]), a [Your Year, e.g., "first-year"] [Your Program, e.g., "B.Tech Computer Science Engineering"] student at [Your Institution].

I am writing to express my strong interest in summer internship opportunities at [Company Name] for [Year, e.g., "2026"]. I am particularly excited about [specific area of company work, e.g., "your innovative AI projects", "data analytics solutions", "software development"], which align closely with my academic focus and project experience.

Key Qualifications:

- **Technical Skills:** [List 3-4 skills, e.g., "Python, AI/ML algorithms, web development"]

- **Projects:** [Briefly mention 1-2 projects, e.g., "File compression tool with GUI", "ML model for X"]
- **Platforms:** Active on [GitHub/Kaggle/LinkedIn] showcasing my portfolio
- **Academic Standing:** [GPA if strong, relevant coursework]

I have attached my resume and [GitHub/Portfolio link] for your review. I would welcome the opportunity to discuss how my skills can contribute to your team. Please let me know a convenient time for a brief call or if you need additional information.

Thank you for considering my application. I look forward to the possibility of joining [Company Name] this summer.

Best regards,

[Your Full Name]
