

SOCIAL MEDIA CHECK LIST

Do's

|

Verify before sharing - Check facts using reliable sources before posting news or claims

Use privacy settings - Set profiles to private and control who sees your posts

Think before posting - Consider long-term impact on future jobs/education

Report inappropriate content - Use platform tools to flag spam, abuse, or fake news

Take digital breaks - Limit screen time to maintain focus on studies

Don'ts

Don't share personal info - Avoid posting addresses, phone numbers, or exact locations

Don't accept unknown friend requests - Be cautious of strangers or suspicious accounts

Don't engage in cyberbullying - Never harass, troll, or spread hate online

Don't overshare daily routines - Avoid posting real-time locations or schedules

Don't use weak passwords - Avoid simple passwords across multiple social accounts

Pro Tip: Follow the 60-second rule - wait 60 seconds before posting anything questionable to avoid rash decisions that could impact your professional reputation
